Drop of Twenty Points in Two Days in Price of Evansville and Terre Haute Forces Firm of E. S. Hooley & Co. to Make Assignment.

**BOSTON BROKERS DOWN:** DID NO BUSINESS HERE.

Bassett & Co., However, Held Membership in New York Stock Exchange After a Weak and Irregular Opening Securities Advance.

### DAY'S FEATURES IN WALL STREET.

William Bassett & Co., of Boston who held a membership in the New York Stock Exchange, also falled. Talbot J. Taylor failure reported to be not nearly so disastrous as was feared at first.

Market opened weak and irregular, but after two hours' trading recovered tone and prices advanced. Confidence considerably restored at close of Exchange.

Immediately after the failure of Edwin S. Hooley & Co. was announced on the Stock Exchange to-day came the Bassett & Co. had failed in Boston. Mr. Bassett is a member of the New York Stock Exchange. The firm has had practically no contracts outstanding on the New York Exchange for more than a year, and the failure was regarded as comparatively unimportant. The only local failure of the early mar-

Little or No Excitement.

There was little or no excitement over the Hooley failure, because it was plainly due to the weakness of one security. Persons who have been watching the market appeared to be confident that there would be few, if any, further announcements of suspensions during the day. The activity of brokers throughout Sunday in strengthening weak spots enabled them to go into the market to-day with confidence.

The members of the firm of Edwin S Hooley & Co. had no statement to make up to 1 o'clock to-day. It is authorisatively stated that W. L. Sto w& Co. had no interest in Evansville & Terre Haute securities. Last year Mr. Hooley and Mr. Stow bought control of the Des Moines & Fort Dodge property and at the annual meeting a year ago elected three more. The lease under the annual meeting this personnel which the Rock Island operates the property is still in force.

HUCKLEBERRY ROAD FIGHT.

Company Claims Interborough Is Not Acting in Good Faith in Plans for Bronx Railroad for Which City Gave Franchise.

The State Railroad Commission me to-day at the Fifth Avenue Hotel to continue the hearing of the application of the Interborough Street Railway Company for permission to construct a railroad in the Bronx under the terms of the franchise granted by the city two months ago. The application is opposed by the Union or "Huckleberry" Railway Company on the ground tha it is physically impossible for the Interborough Company to fulfil its promises, and that the application is not made in good faith, but is an attack on the nion Company.

W. H. Page, jr., represented the oppo sition, while George W. Wickersham of Strong & Cadwallader, with ex-Senator Charles L. Guy, appeared for the ap plicant company.

When the Commission adjourned te days ago Mr. Page promised to prove that the incorporation of the Interborough Company had never been perfect ed, and that 10 per cent. of the capita stock had not been put up in good faith, but that its deposit with Wood, Havemeyer & Kearney was a "wash" trans action that did not comply with the spirit of the law.

When "Nanny the Goat," in a Bathing Suit, Jumped in and Dared "Slobsey" Lamark to Follow, "Slobsey" Did So.

Young Thomas Lamarke, of No. 28 Madison street, wouldn't take a dare; not a bit of it. His father is a naturalized American citizen, and Thomas feels that to do so would prove hm to be unworthy of that distinction. Therefore, when "Nanny, the Goat," alias Martin Tobias, clad in a bathing suit, leaped into the fountain in City Hall Park, this noon, and dared Thomas to follow him, Thomas, merely paused to divest himself of his garments before leaping in.

Hooley & Co. of No. 49 Wall street, was compelled to make an assignment. Mr. Guy held that, under the payment. Mr. Buylet and the action of which has depreciated in value \$20 as share since Friday.

After the first two hours of trading there was a more hopeful feeling in the market. It was said that the Taibot J.
